

Autofold Elite Scooter

Product Code: FLEX-SUSP

Only
€2699

Rediscover your independence with the AutoFold Elite Scooter, finished in a stunning metallic silver. This scooter combines effortless convenience with superior comfort, folding automatically with a simple press of the remote control fob.

The Autofold Elite Scooter is the first in its class to include both front and rear shock-absorbing suspension, ensuring every journey is incredibly smooth, whether you're navigating city pavements or local parks.

Featuring a bright LED headlight, a clear digital display, and a comfortable padded seat, the AutoFold Elite is your perfect travel companion, easily fitting into car boots, planes, and public transport.

KEY FEATURES

Remote Auto-Folding: Folds or unfolds effortlessly within 15 seconds using the remote control or buttons on the tiller, making it perfect for transport and storage.

Digital LCD Display: Features a modern, light-up digital screen that clearly displays your speed, battery level, travel time, and distance covered.

Compact & Travel-Friendly: A lightweight and compact design makes it ideal for easy transport in cars, planes, and public transport, helping you travel anywhere.

Advanced Safety Features: An automatic electromagnetic brake system and anti-roll back device ensure the scooter remains safe and stationary, even when on hills.

Advanced Suspension System: A class-first design featuring shock-absorbing front and rear suspension that provides extra comfort for an exceptionally smooth ride.

Enhanced Comfort & Ergonomics: Equipped with a comfortable padded seat, a new Delta bar for easier handling, and removable armrests to suit individual user needs.

Airline-Friendly Battery: The lightweight 25.2V 10Ah lithium-ion battery is compliant with airline regulations, and can be removed for convenient off-board charging.

Puncture-Proof Tyres: Durable, solid tyres eliminate the risk of punctures for a reliable, worry-free ride.
